The faculty and sponsor (HealthPartners) of this continuing education program have made all reasonable efforts to ensure that all information contained herein is accurate in accordance with the latest available scientific knowledge at the time of acceptance for accreditation. However, because information regarding drugs (their administration, dosages, contraindications, adverse reactions, interactions, special warnings, precautions, etc.) is subject to constant change, the participant is advised to check the manufacturer's package insert for information concerning recommended dosages and potential problems and cautions prior to prescribing, dispensing, or administering the drug. Special precautions should be taken when a drug is new, or highly toxic, or is unfamiliar to the prescriber, dispenser, or administrant. The educational activity will contain discussion of published and/or investigational uses of agents that are not approved by the FDA. HealthPartners does not promote the use of any agent outside of approved labeling.
